## Professional Design Team

One big factory to get the brands committing an order is the artwork, when a client ask for a quote, they want the artwork done real fast. The reality is lots of company does only have one designer to do all artwork, even worse they ask mould factory to do it. This is happening every day around Gurangdong area. When you visit CWC, you will see 4 in-house designers lined up for process your artwork. The company offer fine welfare system to the designers, in return they give back 50 plus artwork on daily basis.

## **Exhibition**

We attend 4 exhibitions every year, 2 electronic fair , 1 gift & premium fair and 1 MEGA Show. During each fair, we will release new products developed with our clients. That gives our clients a absolute confidence to promote these products in their region, with CWC, there will always be new products that fits their market.
