Products Show

Custom Design

Step 1 Artwork in 1 days

Start by sharing what it is you want to create. No need for complicated blueprints. Just tell us what shape of speaker have in mind. Our design will create a digital proof with details and specifications, so you can see what's your speaker look like before deciding.

Step 2 Sample in 5 days:

Once you approve the design, it's be submitted into sampling. We will create a mold and start produce a sample. It usually takes 5 days for production and another 5 days for delivery. We also support digital approve for sampling, we take pictures with PMS matches and size matches, you can see exactly if it matches the artwork.

Step 3 Production in 10 days

After sample be confirmed, we will issue documents to our warehouse managers who preparing materials for your order and then arrange for production, then workers would follow the guideline for production. QC staff would inspect the products during semi-finished period and fully finished period. After packing and with shipping department, you will receive the goods in next 5 working days.

Our Company

We are a electronic promotional products supplier, started in 2006 with **Regular USB drives** for German market, with our German partners we're able to act quick for any project our client asks, in 2009 we added **custom shape usb flash drives** along with sophisticated 3D designers into the office, 2012 we brought battery cell supplier for **power banks** and aging and testing device, 2014 we joined force with **charging cable** sub-supplier. 2016 we added **Bluetooth speaker** and **wireless chargers** and **lanyard charging cable** in 2017. Every step we involve with market and ensured our focus goes to design, function, material and cost, so the products we produce can be the powerful gadgets for your presentation.

Our Showroom

Our Team

Our Factory

Our Exhibition

We attend 4 exhibitions every year, 2 electronic fairs(spring and autumn edition), 1 HK Gift & Premium Fair and MEGA show. During each fair, we will release new products developed with

our client. That gives our clients the absolute confidence to promote these products in their region, with CWC, there will always be new products that fits their market. Our booth details are confirmed 2 months earlier before the shows starts. After confirmation, all clients will receive an invitation letter that says where and when. Fairs give us a great opportunity to talk directly with clients. Time from time we talk about how more products can be developed, how costs can be better adjusted, and how we can help on more efficient procedures.

What's behind products?

Quality control:

Every product go through full examination, these global organizations says way better than us. We have been a BSCI member since 2014, all equipment and work condition complys to BSCI standards. If you need our factory to pass Disney, McDonald, or any audit, let us know, we will be 100% supportive for positive results.

Professional Design Team

One big factor to get the brands committing an order is the artwork. When a client ask for a quote, they want the artwork done real fast, The reality is lots of company does only have one designer to do all artwork, even worse they ask the mould factory to do it. This is happening every day around Guangdong area. When you visit CWC, you will see 4 in-house designers lined up for processing you artwork, The company offers fine welfare system to the designers, in return they give back 50 plus artworks on daily basis.

FAQ

Q: Quality any good?

A: If no quality, no long time business, we meet all local production standards.

Q: Can you provide a quote?

A: Yes if you can tell us your requests like capacity, quantity, logo...

Q: Can I get a visual?

A: Sure yeah, please send your logo file. Designers will process it in 1 business day.

Q: Do you provide samples?

A: Talk to us with your requests!

Q: What's the warranty?

A: 12 months. Any complainant ask us for solutions.

Q: What's the lead time?

A: 1 day for artwork, 5 working days for sample, 10 working days for production, 5 working days for delivery.

Q: Why I should choose you over somebody else?

A: That's a great question! We think that every day, first is because the skilled craft, for the past 13 years we managed to find solutions for all clients. Second is because our sales people, their understanding for your business and their care for each projects.
