## Professional design team

One big to get the brands committing an order is the artwork. When a the customer asks for a quote, he wants the artwork done real fast the reality is lots of company does only have one designer to do all artwork, even worse they ask the mould factory to do it. This is happening every day around Guangdong area. When you visit CWC, you will see 4 in-house designers lined up for processing you artwork, The company offers fine welfare system to the designers, in return they give back 50 plus artworks on daily basis.
