About CWC

Professional Design Team

One big factor to get the brands committing an order is the artwork. When a client ask for a quote, they want the artwork done real fast, The reality is lots of company does only have one designer to do all artwork, even worse they ask the mould factory to do it. This is happening every day around Guangdong area. When you visit CWC, you will see 4 in-house designers lined up for processing you artwork, The company offers fine welfare system to the designers, in return they give back 50 plus artworks on daily basis.

About Exhibition

We attend 4 exhibitions every year, 2 electronic fairs (spring and autumn edition), 1 gift HK & Premium exhibition and MEGA show. During each fair, we will publish new products developed with our customer. This provides our customers with the absolute security to promote these products in their region, with CWC, there will always be new products suitable for their market. The details of our stand are confirmed 2 months before the start of the shows. After confirmation, all customers will receive an invitation letter that says where and when. The fairs offer us a great opportunity to speak directly with customers. From time to time we talk about how more products can be developed, how costs can be better regulated and how we can help on more efficient procedures.
