Professional Design Team

One big factory to get the brands committing an order is the artwork, when a client ask for quote, they want the artwork done real fast,the reality is lots of company does only have one designer to do all proof, even worse they ask the mould factory to do it. This is happening every day around Guangdong area. When you visit **CWC**, you will see 4 in-house designers lined up for processing your artwork,the compay offer fine welfare system to the designers, in return they give back 50 plus artwork on daily base.

We attend 4 exhibitions every year, 2 electronic fair and 1* Gift fair ,1* MEGA show. During each fair, we will release new products developed with our client. That gives our client the absolute confidence to promote these products in their region, with CWC, there will always be new product that fits market.
