Alread

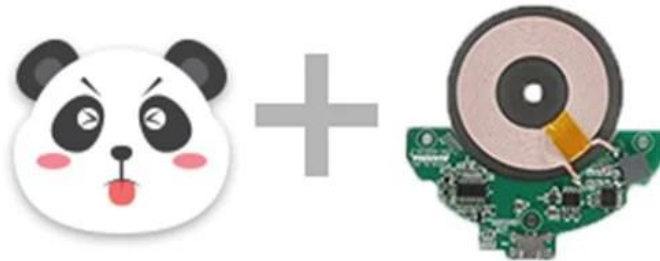

Great ! Send it to us, our handy man make sure the mold goes exactly the same with y our files.

Don't have the artwork ?

No worrier, Let's brainstorm and work on yours, things always get clear when we started working on it. Also we have available to show you what other brands did.

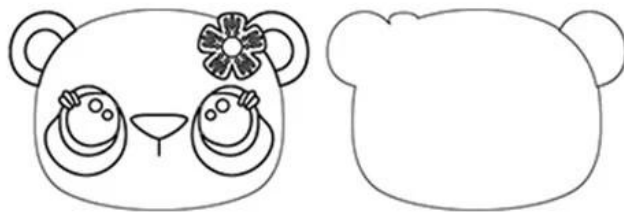

Step 1

Start by sharing what it is you want to create. No need for complicated blueprints. Just tell us what shape of products have in mind. Short on ideas? Our team can help you generate some !

Step 2

Our design will create a digital sample with details and specifications, of how we see your custom shaped products. Once you approve the design, it's be submitted into production. By the way, our rendering look like the real thing.

Step 3

Once the order is in the production, we will create a mold and produce your custom design. Upon completion of production, we will inspect and QA the products. Then will be delivered to you. Shabam! Another happy client. You' ll be the judge.

Our Company

We are an electronic promotional products supplier, started in 2006 with **Regular USB drives** for German market, with our German partners we're able to act quick for any project our client asks, in 2009 we added **custom shape usb flash drives** along with sophisticated 3D designers into the office, 2012 we brought battery cell supplier for **power banks** and aging and testing device, 2014 we joined force with **charging cable** sub-supplier. 2016 we added **Bluetooth speaker** and **wireless chargers** and **lanyard charging cable** in 2017. Every step we involve with market and ensured our focus goes to design, function, material and cost, so the products we produce can be the powerful gadgets for your presentation.

Our Factory

What behind of the products?

Quality control:

Every product goes through full examination, these global organizations say way better than us. We have been BSCI member since 2014, all equipment and work condition comply to BSCI standards. If you need our factory to pass Disney, McDonald, or any audit, we would 100% supportive positive results.

Professional Design Team

One big factory to get the brands committing an order is the artwork, when a client ask for a quote, they want the artwork done real fast. The reality is lots of company does only have one designer to do all artwork, even worse they ask mould factory to do it. This is happening every day around Gurangdong area. When you visit CWC, you will see 4 in-house designers lined up for process your artwork. The company offer fine welfare system to the designers, in return they give back 50 plus artwork on daily basis.

Exhibition

We attend 4 exhibitions every year, 2 electronic fair, 1 gift & premium fair and 1 MEGA Show. During each fair, we will release new products developed with our clients. That gives our clients a absolute confidence to promote these products in their region, with CWC, there will always be new products that fits their market.

FAQ

⇒Q: Can I get a sample before mass production?

A: After confirm the price, you can require samples to check the quality.
The sample charge and delivery fee negotiable.

⇒Q: If I do not like the color, could I change the color ?

A: Yes, most of our products we have standard colors like green, red, black etc, if all colors could not meet your needs, we could customized by your PMS. The MOQ is 100pcs.

⇒Q: How about your product quality?

A: Our all products with REAL Capacity, and will be tested by QC teams before shipment, we never produce upgrade chip and defective products.
